Teaser	You can extend your class B driving license to include the key number 96 or 196.
Volltext	<p>If you already have a class B (car) driving license, you can extend it and obtain additional driving privileges. With the B96 key number, you are allowed to drive a car with a trailer weighing more than 750 kg. The total weight of the car and trailer must not exceed 4,250 kg. The B196 license allows you to ride motorcycles (including sidecars) with a maximum displacement of 125 cc. The engine power must not exceed 11 kW. The power-to-weight ratio must not exceed 0.1 kW/kg. A motorcycle license is not required. To do this, you must complete driver training at a driving school. Once the key numbers have been entered, you will receive a new driver's license containing all your driving privileges.</p>
Erforderliche Unterlagen	<p>valid driving license in EU card format biometric passport photo (35x45 mm) Certificate of participation from the driving school confirming that the driver training course has been completed in accordance with Annex 7a (key number 96) or 7b (key number 196) of the Driving Licence Regulations (FeV) Appointment confirmation If applicable, a copy of your index card (only required if you still have a paper driving licence and your last driving licence was not issued in Hamburg)</p>
