Teaser	The driver card used to monitor your driving and rest times when driving certain vehicles must be renewed before it expires.
Volltext	As a driver of certain vehicles used for commercial freight and passenger transport, you must have your driving and rest times monitored. If you use a digital tachograph, you will need a driver card for this purpose. The driver card is valid for five years and must be renewed before it expires. You must apply for the renewal in good time. A new driver card will then be issued to you.
Erforderliche Unterlagen	a valid identity card or an electronic residence permit (eAT) or passport with the driver's current registration confirmation a biometric passport photo (35x45 mm) the driver's driving license in the format of the current EU card driving license (issued from 19 January 2013) the old driver card if applying by post: the completed application form (see links) when applying on site: the appointment confirmation
Voraussetzungen	Her main residence is in Hamburg You hold an EU card driving licence issued on or after 19 January 2013. If you still have an older driving license, you must first exchange it for the new EU card driving license format. You already have a driver card.
Kosten	The fee is EUR 41.00. The basis for this is the fee schedule for measures in road traffic (GebOST).
Verfahrensablauf	You can apply in person or by mail. You can only apply for a driver card by mail if you have a German EU card driver's license. If you have a foreign EU card driver's license, you must apply for your driver card in person.
