Teaser	An international vehicle registration document may be required to enter foreign countries.
Volltext	An international vehicle registration document can be requested for entry into foreign countries. For the states of the European Union, Part I of the registration certificate is sufficient, as the form indicates that it is multilingual. Some states require the <i>carne de passage</i> , which is issued by automobile clubs. This also applies to the green cover card issued by the motor liability insurer. The respective foreign representation can provide information on which documents are required in which country.
Erforderliche Unterlagen	a valid identity card or an electronic residence permit (eAT) or passport with current confirmation of registration Registration Certificate Part I (Vehicle Registration Document) The appointment confirmation If an authorized representative submits the application on your behalf, in addition: The power of attorney with the legible color copy of the principal's ID card The authorized representative's ID card in the original
Voraussetzungen	The vehicle must be registered or registered in Hamburg.
Kosten	The fees amount to approx. 11 EUR. The exact amount of the fee can only be determined on site by submitting the complete documents. The basis for the fee level is the fee schedule for measures in road traffic (GebOST).
Verfahrensablauf	Appointment booking Visit the website to book an appointment (see link below) Select the service group: approval, private customers Select the service: Registration of technical changes Use location selection to display appointments at a specific location Use the date picker to find the next available date regardless of
