Volltext	Specialist veterinarians are not independent professions. The respective titles represent additional designations that are awarded to veterinarians (regulated profession) on the basis of separate specialist training. In this respect, the recognition of the foreign qualification is not a mandatory condition for taking up employment. The following designations are recognized in Hamburg: 1. theoretical veterinary medicine, 2. animal husbandry and animal breeding, 3. food of animal origin, 4. clinical veterinary medicine, 5. Methodical-technical veterinary medicine, 6. Ecology, 7. Public Veterinary Service

Hinweise	The recognition of a specialist veterinarian title is not a prerequisite for taking up professional activity (see above). The requirements necessary for access to the profession (veterinary profession) are based on Section 4 of the Federal Veterinary Regulations (BTÄO). You must apply to the Health and Consumer Protection Authority (V11) for recognition as a veterinarian as a restriction on access to the profession.
