	<p>with the application in the required form. equivalence test The competent authority will then check whether you meet all the requirements. An important prerequisite is the equivalence of your professional qualification. The competent authority compares your professional qualification from abroad with the German professional qualification as an occupational therapist. The professional qualification is equivalent if there are no significant differences between your foreign professional qualification and the German professional qualification. Possible results of the test If there is equivalence, submit proof of your health, language and personal suitability (instruction sheet). If there is no equivalence, you will complete an adjustment measure in the form of an aptitude test or an adjustment course. You will receive further information from us on this.</p>
