Handlungsgrundlage	The legal basis for red license plates can be found in Section 16 (3) of the Vehicle Registration Ordinance (FZV).
Teaser	Sometimes a car that is not registered still has to be driven on public roads for a short time. In Germany, there are so-called red license plates for such short trips.
Volltext	Sometimes a car that is not registered still has to be driven briefly on public roads. For such short journeys there are so-called red license plates in Germany. Red license plates are also known as dealer license plates and are usually used for test drives, test drives or transfer drives if the vehicles are not approved. They are only issued for a limited period and only to reliable companies. Dealers who are authorized to possess such license plates must keep a vehicle registration booklet. All vehicles that are driven with a red license plate must be entered in the vehicle registration book. It must be exchanged at the Landesbetrieb Verkehr (LBV) after the expiry of its validity or when it is full, the entries in the booklet and in the journey directory are checked.
Erforderliche Unterlagen	The following documents must be present to apply for red license plates: a valid identity card or passport with a current confirmation of registration Proof of company evidence (for example, a business registration that is not older than three months or an

extract from the commercial register) the electronic insurance confirmation for red license plates as eVB code (available from motor vehicle insurance) a certificate of good conduct (feature O for official purposes, to be applied for at the registration authority) Proof of parking space (for example the rental or purchase contract for the property) the appointment confirmation Please bring the following documents with you to exchange a booklet: the old vehicle registration booklet or the old vehicle registration booklet the trip directory the appointment confirmation

Voraussetzungen

The application to the Landesbetrieb Verkehr (LBV) is only possible if the company has both its headquarters and the car parking spaces in Hamburg. Furthermore, the person responsible must personally take part in an instruction on how to use the red license plates. It must also be proven that the dealer or workshop actually carries out the specified activities. When exchanging the vehicle registration booklets for red license plates, one of the forms that can be accessed under the following link must be filled out: <https://www.hamburg.de/lbv-fahrzeug/6918520/haendler/> In addition, the exchange of the vehicle registration booklets must be noted by hand in the absence of an option to tick.

Kosten

Applying for red license plates costs between EUR 192.00 and EUR 220.00. The exact amount can only be determined on site using the complete documentation. The basis for the fee level is the fee schedule for measures in road traffic (GebOSt). EUR 15.30 per issue must be paid.

Verfahrensablauf
Bearbeitungsdauer
Frist

Red license plates are only issued for a limited period. If you also need red number plates, you can apply for an extension in good time before the deadline expires.

Hinweise	<p>appointment booking An appointment for the issuance of new red vehicle registration booklets is not necessary. Submit your applications for up to five red vehicle registration booklets at an LBV location of your choice; processing will take place centrally at the North location. You will be informed when the item is ready. Collection and drop-off will take place at the same location. Loss of the vehicle registration booklet or the trip log If the vehicle registration booklet or the trip log is lost, the person responsible must provide credible proof of this by submitting an affidavit. This must be done in person at the LBV.</p>
