Handlungsgrundlage	§ 21 Road Traffic Licensing Regulations (StVZO) § 13 EG-FGV § 19 Road Traffic Licensing Regulations
Teaser	
Volltext	Vehicles that are not mass-produced require an individual operating permit in order to be registered for road traffic. This also applies to vehicles without EC type approval (COC certificate) from abroad, as well as decommissioned vehicles that have been deleted from the traffic register after seven years and are to be re-registered. The individual operating permit confirms that the vehicle complies with the construction and operating regulations.
Erforderliche Unterlagen	• a report from an officially recognised expert for motor vehicle traffic in accordance with Section 13 EG-FGV • a valid identity card or passport with confirmation of registration • a commercial register extract for companies • a power of attorney when applying in power of attorney • as required: reserved license plate • an informal application
Voraussetzungen	
Kosten	
Verfahrensablauf	• You request a report from an officially recognized expert • You submit the report together with the other documents to the State Transport Authority. • This person then creates or changes the registration certificate (vehicle registration document and vehicle registration certificate) or notes with a seal on the
