Hinweise

- The resident parking permit does not secure a specific parking space, but only allows permanent parking in the resident parking zone in which you are registered.
 - A resident parking permit can only be issued for a specific vehicle (license plate number is entered in the resident parking permit).
 - If you use third-party vehicles, rental vehicles or company vehicles, you also have the option of applying for a resident parking permit. Rental vehicles and changing company vehicles must be clearly identifiable as such (name of the respective company).
 - Your resident parking permit must be displayed visibly in your vehicle! A resident parking permit is also required for motorcycles. Resident parking permits cannot be applied for for trailers as they are not motor vehicles.
