Sachverhalt

environmental zones, you still need an environmental sticker.

****Advantages for vehicles with an e-plate on the road include:****

- Free parking at all parking ticket machines up to the respective maximum parking time
- Use of specially designated parking spaces (please pay attention to the signs for the parking process here)

Please note that there are different types of license plates for different purposes. ****These license plates cannot be combined with the E license plate:****

- temporary license plate,
- export license plate and
- red number plates (so-called dealer number plates).

Erforderliche Unterlagen

- valid identity card or passport in the original with current confirmation of registration
 - the registration certificate part I (vehicle registration) or deregistration confirmation
 - the registration certificate part II (vehicle registration document)
 - the license plates
 - the appointment confirmation

****if an authorized representative submits the application on your behalf:****

- the power of attorney in the original with a legible color copy of the vehicle owner's ID
- Authorized representative's ID in the original

****Companies must also submit the following documents:****

- Proof of company (e.g. an extract from the commercial register, the business registration or, in the case of registered associations, the extract from the register of associations)
