Verfahrensablauf	In Hamburg, there are two ways to settle socio-cultural participation benefits. Payment to the Beneficiary The person entitled to benefits applies for the benefit himself in the Eimsbüttel district office and pays the club fees/costs in full himself. Direct settlement with you as the provider The person entitled to benefits will provide you, as the service provider, with a copy of the notification of the social benefit (main benefit notification) or the short BuT notification. Participation in the participation offer is possible immediately. You enter the data required for settlement with the Eimsbüttel district office. Billing takes place via a collective bill in the form of an Excel table if several participants are billed at the same time. If individual participants are to be billed, this can be done using the billing form " Billing of services from the socio-cultural participation application by the service provider ". You send the respective billing forms to the district office in Eimsbüttel. The costs actually incurred for the participation activity will be billed. Any difference to the statutory social benefit entitlement of 15 euros per month will be paid out to the beneficiaries. If the costs are more than 15 euros, the difference must be paid to you by the person entitled to benefits.

Hinweise

The service provider does not have to bill via the billing list. He can also confirm the beneficiary's participation on the "Participation benefit" form, so that the beneficiary receives the flat rate directly from the city and the billing then takes place between the service provider and the beneficiary.
