Handlungsgrundlage	•
Teaser	If you, as a pharmacy owner, want to send prescription drugs, you need a permit to do so.
Volltext	As the owner of a pharmacy, you need a mail order license if you want to send prescription drugs.
Erforderliche Unterlagen	• Informal, written application • Required documents are set out in Section 11a of the Pharmacy Act (ApoG) • Further information on the type and scope of the documents can be found in the information sheet "Issuing a mail order license for pharmacies" or can be clarified with the responsible authority. • If rooms outside the approved pharmacy premises are to be used for mail order sales: details of the size, condition, furnishings and function of the additional premises, including scaled floor plans and the rental agreement
Voraussetzungen	• You are the owner of a public pharmacy • The dispatch of pharmacy-only medicines takes place in addition to the usual pharmacy operations. • There is a quality assurance system in place for the shipping process. • You comply with the legal regulations for pharmacy operations
Kosten	Fees apply. The amount of the fee depends on the time required.
Verfahrensablauf	• You submit your written application with all required documents to the responsible authority.

Modul	Sachverhalt
	• The responsible authority will examine your application and documents. If necessary, it will request further documents or information from you. • The responsible authority checks whether all requirements are met. • The responsible authority will decide on your application. • The mail order license will be granted to you. • Your permission to send pharmacy-only medicines will be entered in the central register of the Federal Institute for Drugs and Medical Devices (BfArM).
Bearbeitungsdauer	Processing usually takes 4 to 6 weeks.
Frist	Submit the application no later than 4 weeks before the pharmacy plans to start shipping activities.

Hinweise	• All pharmaceutical retailers who operate an online shop must be registered in a central register at the Federal Institute for Drugs and Medical Devices (BfArM). • The BfArM maintains a mail-order pharmacy register that lists all German pharmacies with a mail-order license. The BfArM awards these retailers a safety logo, which the providers can also display on their homepage. Consumers can view the mail-order pharmacy register on the BfArM website. • For further information please see the links.
Rechtsbehelf	Contradiction
