	required to practice the profession.
Kosten	80 - 200 €
Verfahrensablauf	You submit your application together with the necessary documents to the responsible authority. The responsible authority will check your application for completeness and, if necessary, request any missing documents or information from you. The responsible authority will check whether you meet all the requirements. If you meet all the requirements, you will receive permission. You may not begin the activity until you have received permission.
Bearbeitungsdauer	Up to 6 weeks
Frist	No
weiterführende Informationen	
Hinweise	Comparable qualifications that you have acquired outside Germany can be recognized as equivalent. If you have completed a corresponding training course outside Germany, you may be able to work as a service provider temporarily and occasionally in Germany without a permit (according to EU law). You must report this to the relevant authority in advance.
Rechtsbehelf	You can raise an objection to a negative decision within one month of notification at the office specified in the letterhead.
Kurztext	Anyone who wants to work as an orthoptist in Germany needs a government permit. With the permit you are allowed to use the professional title and work in the profession. Permission must be applied for.
