Teaser	If you have a disability, you can apply for your disability to be recognised. This will also determine the degree of your disability.
Volltext	If you have a disability that affects your health, you can apply to have your disability recognized. As part of the examination, the responsible authority will determine the degree of your disability if necessary. If the examination shows a degree of disability of 50 or more, you can apply for a severely disabled person's ID card. During the examination, in addition to the degree of your disability, it may also be possible to determine
