Handlungsgrundlage	Section 25 (2) of the Animal Health Act (TierGesG) www.gesetze-im-internet.de/tiergesg/_25.html
Teaser	If you hold a fair or weekly market where only a small amount of livestock is sold, you can request that the event not be monitored. To do so, you must submit an application to the relevant authority.
Volltext	Special regulations for the prevention of animal diseases apply to events where livestock is offered or exhibited. Livestock includes all farm animals, such as cattle, pigs, horses, sheep, and goats. You can apply for an exemption from these rules for fairs and weekly markets if only a few animals are offered there.
Erforderliche Unterlagen	Informal application
Voraussetzungen	These are animals that fall into the livestock category. These are farm animals such as cattle, pigs, horses, sheep, and goats. The event is an annual or weekly market. There is only a small amount of trade in livestock.
Kosten	Gebühr: Es fallen keine Kosten an
Verfahrensablauf	You can submit the application informally or via the online service: If you would like to submit the application informally: Describe your request and provide all necessary information. Send the application by email or post to the responsible office. Your application will be received and processed by the responsible authority. If necessary, the responsible authority will request further documents or information from you. You will receive a notification. If you would like to apply for exemption via the online service: You register with the online service and log in with your user data. You access the online service You fill out the application form. After submission, your application will be automatically received and
