Verfahrensablauf	<p>You submit all necessary information in the Bube-Online portal for each individual system, taking into account the aggregation rules. The handover of the annual report is completed in the Bube-Online portal when you give the release to the responsible department. The responsible body checks the information for plausibility. If there are any discrepancies, the processing status will be transferred back to you by the responsible body. After the plausibility check has been carried out, the responsible body forwards your report (information from Bube-Online) to the Federal Environment Agency. The Federal Environment Agency forwards its report to the European Commission.</p>
Bearbeitungsdauer	The processing time is not specified by law.
Frist	<p>They submit the report annually to the responsible authority on the Bube-Online portal for each individual plant by April 30 of the following year. The responsible body will forward your report (information from Bube-Online) to the Federal Environment Agency by 31 October of the year following the reporting year.</p>
