Kurztext	<ul style="list-style-type: none"> • Proof of disposal, privileged procedure, receipt • Before disposal of hazardous waste begins, the permissibility of the intended disposal must be proven by proof of disposal. • This usually also includes confirmation of proof of disposal by the authority responsible for the disposal facility. • This confirmation is not required in the so-called privileged procedure. This can be used if <ul style="list-style-type: none"> • the waste disposal facility is certified as a specialist waste disposal company and is therefore privileged, • the waste disposal facility belongs to a company registered in the EMAS register and is therefore also treated with privileged status or • The disposal facility has been exempted from the confirmation requirement upon request by the responsible authority. • In cases of exemption or privilege, the waste disposal company simply has to provide proof of disposal. No confirmation from the authorities is required here.
