Handlungsgrundlage	§ 16a Federal Immission Control Act (BImSchG) < <a href="https://www.gesetze-im-internet.de/bimschg/_16a.html">https://www.gesetze-im-internet.de/bimschg/_16a.html</a> >
Teaser	If you want to make important changes to a facility that requires approval, you will need approval
Volltext	<p>If you operate a facility that requires a permit and plan to make changes to this facility that could cause a major accident, you will need a permit.</p> <p>Changes with potential impacts on accidents could result in the installation posing a significant hazard or no longer meeting the applicable emission control requirements.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> <li>• Required drawings, plans, reports</li> <li>• Explanations and</li> <li>• If necessary, further documents about which you will be informed by the competent authority.</li> </ul>
Voraussetzungen	<p>You will be granted permission to make changes if:</p> <ul style="list-style-type: none"> <li>• it is ensured that the obligations arising from the requirements of the Federal Immission Control Act and</li> </ul>

Modul	Sachverhalt
	<p>the Federal Immission Control Ordinance are fulfilled and</p> <ul style="list-style-type: none"> <li>• other public law regulations and occupational health and safety concerns do not conflict with the construction and operation of the facility.</li> </ul> <p>You do not need a permit if you already ensure compliance with the appropriate safety distance through binding specifications at the level of a spatially significant plan or measure.</p>
Kosten	Fees apply. The amount of the fees depends on the investment amount or the administrative effort.
Verfahrensablauf	<p>You submit the application for approval of accident-relevant changes to your facility requiring approval in writing or electronically to the responsible authority. You attach all the necessary documents to the application.</p> <p>The responsible authority will examine your application and the documents. If necessary, the responsible authority will request further documents or information from you.</p> <p>Once the application and the documents have been submitted, the responsible authority will check whether the planned changes meet the requirements of emission control law.</p> <p>After the final assessment, the responsible authority will decide on your application. You will receive a notification.</p>
Bearbeitungsdauer	The procedure cannot be carried out using the simplified procedure. The competent authority must involve the public. The processing time is 7 months.
Frist	You need approval before you start your project.
