Teaser	As a nursing, obstetric or physiotherapy facility, do you want to give your employees access to the telematics infrastructure (TI)? Then you can apply for an electronic institution card (SMC-B) under certain conditions.
---------------	---

Modul	Sachverhalt
Volltext	The SMC-B (Security Module Card Type B) is an electronic institution card and electronic institution ID card in one. It allows people working in the healthcare professions of an institution to access the telematics infrastructure (TI). The TI connects everyone involved in the healthcare system and will thus enable access to the electronic patient file (ePA) in the future, for example. There are different SMC-Bs for different professional groups. There is an SMC-B for Medical practices Nursing, obstetric and physiotherapy facilities Pharmacies With this online service you can apply for an SMC-B for institutions with employees who are not organized in chambers. These are: Health, nursing and elderly care facilities Obstetric facilities Physiotherapy facilities
Erforderliche Unterlagen	Scan or photo of proof of your institution (e.g. power of attorney, statutes) IK (Institution Identification Number) Number eHBA (electronic health professional card) number of a company employee
Voraussetzungen	You are authorized to provide services. As an applicant, you are permitted to represent the institution in question externally. The person employed by the company has an electronic health professional card (eHBA).
Kosten	40,00 EUR
Verfahrensablauf	You access the specialist portal of the electronic health professions register (eGBR) and fill out the online application Once we receive your application, it will be reviewed.
