Handlungsgrundlage	§ 19 Training and Examination Regulations for Psychological Psychotherapists < https://www.buzer.de/gesetz/3737/a52471.htm >
Teaser	If you want to practice the profession of psychological psychotherapist in Germany without restrictions, you need state approval: the license to practice medicine.
Volltext	After successfully completing your training at a state-recognized training center for psychotherapy, you can be granted approval to practice as a psychological psychotherapist. Once you have been granted approval, you are entitled to practice the profession independently and under your own responsibility in Germany.
	The license is granted for an unlimited period and is valid for the entire Federal Republic of Germany.
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Proof of identity <ul style="list-style-type: none"> • Birth certificate or a current extract from the parents' family register • if applicable, marriage certificate/registered civil partnership (proof in case of name change) • CV in tabular form • Extract from the Federal Central Register, which must not be issued earlier than one month before submission (document type O) • Certificate of the state examination for psychological psychotherapists <ul style="list-style-type: none"> • Statement as to whether criminal proceedings or a public prosecutor's investigation are pending against you • Medical certificate, not older than one month, stating that you are not unfit for the profession due to
