Teaser	<p>If you are an entrepreneur in Hamburg and want to operate an ambulance service, you will need a permit from the relevant authority. The permit will be granted to you if the legal requirements are met.</p>
Volltext	<p>The approval will determine, based on your application, how many ambulances you must have ready for patient transport during the defined operating hours. The purpose of medical transport is to provide assistance to patients who are not emergency patients, if necessary, and to transport them under professional care. In order to carry out transport as a medical transport and to be able to bill the health insurance companies, a prescription from a doctor is required. When transporting patients, you must staff ambulances with at least two paramedics. You must equip the ambulances in accordance with the applicable DIN standard and register them accordingly under road traffic law.</p>
Erforderliche Unterlagen	<p>Completed, signed application (form) Certificates of clearance from the tax office, the social insurance provider and the professional association (the deadlines for these certificates must not be more than three months old at the time of application) Equity certificate (the date of the equity certificate must not be more than one year old at the time of application) Proof of current business liability insurance Police clearance certificate for submission to an authority (not older than three months) Confirmation in the form of a self-declaration that no judicial or public</p>

prosecutorial investigation is pending Information from the Central Trade Register (not older than three months) Proof of professional qualifications (you usually prove your professional qualifications by taking a professional qualifications test before a Chamber of Commerce and Industry) For companies that are or will be registered in the commercial, cooperative or association register: Articles of association For partnerships and associations: the certified copy of the articles of association Proof of a place of business

Voraussetzungen

The safety and efficiency of the company are guaranteed. There are no facts that demonstrate your unreliability as an entrepreneur or as the persons appointed to manage the business. You as an entrepreneur and the persons appointed to manage the business are professionally qualified (for example, by passing the specialist knowledge test for rescue services with motor vehicles before a Chamber of Commerce and Industry) You undertake not to exclude your liability towards the persons transported for personal injury and property damage. You can provide evidence of a place of business within the territory of the Free and Hanseatic City of Hamburg.

Kosten

Fees for the authorization to operate ambulance services with verification of financial capacity: EUR 657.00 Approval of an extension or significant change to a business with verification of financial capacity: EUR 223.00 Fees for the approval for the exchange or initial commissioning of ambulances, aircraft and watercraft per vehicle: EUR 289.00 In individual cases, expenses for postal services exceeding EUR 2.50 This information is valid for the year 2024. The amount of the fees changes on January 1st of each year.

Verfahrensablauf

You submit the application in writing, attach all evidence and documents and send the application by post to the responsible authority. The responsible authority will check whether the application is complete or whether any evidence is still missing and will inform you of the (intermediate) result. If there are any points that require clarification, you will be heard before a decision is made. The approval or rejection of the approval will be communicated to you in writing in

	the form of a notice. In the event of approval, you will receive the certificate of approval immediately after the expiry of the appeal period.
Bearbeitungsdauer	The competent authority will decide on the application within three months of receipt of the complete documentation. If the examination of the application cannot be completed within this time, the competent authority may extend the deadline by the period necessary to complete the examination in an interim decision to be communicated to you before it expires. The extension of the deadline may not exceed three months.
Frist	You can apply at any time; there are no application deadlines. The approval is deemed to have been granted if it is not rejected within the period specified under "Processing time". The permit may be granted for a period of up to four years.
