Teaser	As the operator of an approved alternative school, you can apply for state recognition in order to administer examinations and award qualifications like a state school.
Volltext	If you run an approved alternative school, you can apply for state recognition of your school. The students at your school will then no longer have to take part in the state external examinations. With state recognition, the provider is given the right to hold examinations and award qualifications like a state school.
Erforderliche Unterlagen	\- Application form (see under links "Recognition of alternative schools")
Voraussetzungen	<p>As a school authority, you submit an application to the Authority for Schools and Vocational Education to have your alternative school granted state recognition.</p> <p>State recognition is granted when the responsible school supervisory authority comes to a positive overall assessment of the school's operations to date. The requirements for the approval of an alternative school must be met on a permanent basis. This means: The alternative school must meet the following requirements:</p> <ul style="list-style-type: none"> • achieving state qualifications • the teacher qualification, • the material and spatial equipment <p>as equivalent to a corresponding state school.</p>
