Hinweise	<p>The second home tax is an avoidable expense tax. Persons who do not have sufficient means usually maintain only one dwelling. The local law on the levying of a tax on secondary residences in the municipality of Bremen is mandatorily linked to the registration data. Decisive here is § 21 of the Federal Registration Act, according to which the main dwelling is the predominantly used dwelling of the resident and each additional dwelling is his secondary dwelling. For the determination of the main dwelling, it is decisive which of several dwellings is predominantly used in terms of time.</p> <p>Please check your registration data. If you have any questions regarding registration in the city of Bremen, please contact the Bürgeramt (Meldeangelegenheiten).</p>
