Teaser	The state care allowance for blind and severely disabled people is granted to compensate for handicap-related disadvantages. It is a lump-sum cash benefit.
Volltext	<p>Blind or severely disabled people who have their habitual residence in Bremen are entitled to financial support to compensate for disability-related disadvantages or additional needs. The state care allowance is paid as a monthly allowance and is independent of income and assets:</p> <ul style="list-style-type: none"> • The state care allowance currently amounts to 517.61 euros per month. • Children under the age of 18 are entitled to a state care allowance of currently EUR 258.81 per month from the age of one. • Care insurance benefits are offset in full against the state care allowance. This can reduce or eliminate the entitlement to state care allowance. • The income and asset-dependent care and blindness assistance benefits in accordance with SGB XII can also be claimed if necessary. The state care allowance is offset in full or in part.
