Teaser	After moving or, for example, relocating your business to Bremerhaven, you must re-register your vehicle and can apply for a new license plate.
Volltext	<p>The application may be made in person. A representative with written power of attorney may also be appointed.</p> <p>Note:          Since October 1, 2005, there have been new vehicle documents. These are the registration certificate Part I (old: vehicle registration document) and Part II (old: vehicle title). These have a uniform design in the European Union (EU). If a registration certificate Part II (formerly: vehicle registration document) already exists and there is still space for the entry in it, the change is made in it. If the new registration certificates have not yet been issued, they will be issued in this context, even if another keeper entry would be possible in the old papers. A new registration certificate Part I (formerly: vehicle registration document) will be issued in any case.</p>
