Hinweise	<p>The extract from the land register or the property tax assessment notice is required so that the applicant can provide proof of ownership. This does not apply to the residents of the dyke roads, but mainly to farmers who have land, meadows etc. there but do not live there. Or horse owners who have bought a meadow on the dyke and have stabled their horse there, etc.</p> <p>The extract from the land register is required because land (meadows, etc.) is not listed individually in the property tax assessment notice, but this proof is absolutely essential for checking the application to drive on dyke roads and paths.</p>
