Teaser	Please note that you can also use our online service for the desired service. You will find the link under "Further information" - Online service". Pure battery electric vehicles, externally rechargeable hybrid electric vehicles and fuel cell vehicles can receive an e-license plate upon application. The application can be submitted informally as part of the registration or transfer process.
Volltext	If it is not possible for the vehicle to be clearly assigned by the registration authority, an expert opinion from a testing organization or a manufacturer's certificate must be submitted as suitable proof. Externally chargeable hybrid vehicles may have carbon dioxide emissions of no more than 50g/km and must have a minimum range with purely electric drive of 30 km (from 01.01.2018 40 km). Since 01.10.2017, the E license plate can also be assigned as a seasonal license plate.
Erforderliche Unterlagen	
Voraussetzungen	No special requirements.
Kosten	Gebühr: 27€ If the vehicle is to be registered with an E number plate or transferred to Bremen, no additional fees are due. Please refer to the respective service descriptions for the costs of registration or transfer.
