Volltext	The public order service patrols parks and green spaces to check whether dog owners are complying with the leash requirement. In addition, attention is paid to ensuring that dog owners dispose of dog excrement properly. Dogs must be kept on a lead in Bremen from March 15 and ends on July 15 of a calendar year (breeding and setting season). During this period, dogs must be kept on a lead if the walk takes them outside the built-up urban area. However, dogs are also restricted in the city. Dogs must be kept on a lead in many parks all year round. Dogs that are walked in public areas must not endanger road traffic. As a dog owner, please ensure that your dog does not bark persistently at people or animals, jump at them or cause any other significant disturbance.
