Teaser	You can apply for a one-off extension of the building permit for up to two years if you have a valid building permit for your construction project.
Volltext	If you have a valid building permit for your building project, you can apply for an extension of the building permit. The competent lower building supervisory authority can extend the building permit once for up to 2 years if the legal requirements have not changed in the meantime and the application has been received by the competent lower building supervisory authority before the deadline expires.
Erforderliche Unterlagen	No documents required.
Voraussetzungen	The requirements for a one-off extension of two years are

Modul	Sachverhalt
	• the existence of a valid building permit, • compliance with the extension period of three years since the building permit was issued, • the documents submitted in accordance with § 3 of the Bremen Building Submission Ordinance remain valid, • the legal requirements have not changed in the meantime and • the application has been received by the competent lower building supervisory authority before the expiry of the deadline.
Kosten	The amount of the fee is based on § 1 of the Construction Costs Ordinance, tariff number 101.08.
Verfahrensablauf	Apply for the extension in writing (informally). Indicate which building permit your application for extension relates to. Submit the application to the responsible lower building supervisory authority. The lower building supervisory authority will examine your application and involve those bodies whose participation or consultation is required for the decision on the building permit or without whose opinion the application cannot be assessed. You will then receive an extension of the building permit, provided the requirements for this are met. The extension of the building permit is subject to a fee. You will receive a notification of fees. If necessary, the lower building supervisory authority will ask you to make an advance fee payment as soon as you submit your application.
Bearbeitungsdauer	The lower building supervisory authority should decide on the extension of the building permit within twelve weeks after the completeness of the application has been confirmed in accordance with Section 69 (3) of the Bremen State Building Code.
Frist	During the term of the building permit, the building permit can be extended once for up to two years.
