Teaser	The Building Energy Act (GEG) sets requirements for the energy performance of buildings. The client or owner of a heated or cooled building must prove that the building meets the requirements of the Building Energy Act.
Volltext	In the case of extensions and expansions as well as certain changes to buildings, the building owner must provide evidence of compliance with the requirements of the GEG. Proof of compliance with the requirements is provided in the declaration of compliance (Section 92 (2) GEG). The declaration of compliance must be submitted within 3 months of completion of the construction project.
Erforderliche Unterlagen	Fully completed declaration of fulfillment (Section 92 (2) GEG) if applicable, a copy of the calculations for the entire building prepared in accordance with § 50 of the Building Energy Act (§ 93 GEG) if applicable, a copy of the calculations for the heated or cooled rooms to be added in order to comply with the requirements in accordance with Section 51 of the Building Energy Act and, in the cases of Section 51 (2) of the Building Energy Act, the calculation for summer heat insulation (Section 93 GEG) and if applicable, a copy of the energy

	certificate (§ 80 GEG).
Voraussetzungen	You must confirm that the requirements of the Building Energy Act (GEG) are met when extending, expanding or modifying the building if you extend or expand the building to include heated or cooled rooms (Section 51 GEG). You must also submit a declaration of compliance for changes for which calculations have been carried out for the entire building (§ 48 Para. 1, 50 Para. 1 to 3 GEG). In these cases, the declaration of compliance may be issued by persons who are authorized to issue energy performance certificates in accordance with § 88 GEG. You must submit the declaration of compliance in accordance with the model published by the Senator for the Environment, Climate and Science pursuant to Section 2 (1) (2) or (3) GEGV.
Kosten	There are no costs.
Verfahrensablauf	• You can find the application to fill out here in the service portal under "Further information" - "Forms" - "Declaration of compliance for the modification, extension or expansion of existing buildings". • Complete the application. • Commission a person authorized in accordance with § 88 GEG to issue the declaration of compliance. • Send the completed and signed declaration of compliance. • Send the PDF by e-mail to the responsible office.
Bearbeitungsdauer	The declaration of fulfillment must only be submitted via the system. If necessary, a random check will be carried out.
Frist	The declaration of fulfillment must be submitted 3 months after completion of the construction work on the building or the construction measures.
