Teaser	You have the right to inspect a land use plan.
Volltext	The land use plan • is a preparatory urban land-use plan and the basis for a development plan. • It has no legally binding significance. The intended urban development of a municipality is defined in the land use plan. The plan therefore shows how each part of the municipal area is to be used. Possible uses are • Residential, • commercial, • transportation, • infrastructure, • recreation or • nature and the environment. You can view new or recently amended land use plans on the Internet. If the responsible body has not yet made the desired land use plan available on the Internet, you have the right to view it at the responsible body. The land use plan generally consists of: • Indication of the planning objectives, • various maps on • land use, development or environment, • Legend to the maps and • Explanatory statement with, for example, an indication of the decisions and considerations.
Erforderliche Unterlagen	• You do not need to submit any additional documents.
